

## D-TAIL LAB - TECHNICAL DATA SHEET (TDS)

LUSH — Air Freshener & Fragrance

Document code: TDS-DLUS • Date: 2025-11-16

### Quick Facts

|                          |                                                         |
|--------------------------|---------------------------------------------------------|
| Product Code / SKUs      | DLUS500 (500 mL); DLUS4LT (4 L)                         |
| Product Type             | Air freshener & fragrance (interior deodorizer)         |
| Intended Use             | Fabrics, carpets, upholstery; light mist into cabin air |
| Appearance / Color       | Clear to light pink (varies by fragrance)               |
| Odor / Scent             | Perfumed                                                |
| Base                     | Water-based; non-flammable                              |
| pH (Concentrate)         | Near-neutral — see SDS §9                               |
| Specific Gravity (20 °C) | See SDS §9                                              |
| VOC (g/L)                | See SDS                                                 |

### Description & Key Benefits

Cabin deodorizer that neutralizes lingering odors and leaves a refined, long-lasting scent.

- Fast cabin refresh
- Interior-safe when used as directed
- Ready to use (RTU)
- Non-flammable formula

### Suitable Surfaces / Materials

Fabrics, carpets, upholstery, interior air space.

### Do Not Use On / Limitations

Do not saturate headliners or sensitive fabrics. Test first in an inconspicuous area.

### Dilution Chart

| Task     | Dilution (Product:Water) | Notes                          |
|----------|--------------------------|--------------------------------|
| All uses | RTU — do not dilute      | Light mist; avoid over-wetting |

### Directions for Use

Lightly mist onto fabrics and into the cabin air; ventilate if needed. Reapply as desired.

**Safety (Summary) — See SDS for full details**

|                               |                                                                                                      |
|-------------------------------|------------------------------------------------------------------------------------------------------|
| GHS Signal Word               | Warning                                                                                              |
| Primary Hazards (summary)     | Irritant. Avoid eye/skin contact. See SDS for full hazard statements.                                |
| Primary Precautions (summary) | Wear gloves for extended use; keep out of reach of children.                                         |
| First Aid (summary)           | If swallowed: call a poison centre/doctor. Eyes: rinse cautiously with water. Skin: wash with water. |

### Transport (Summary)

|                           |                                  |
|---------------------------|----------------------------------|
| UN / Proper Shipping Name | Not regulated as dangerous goods |
| Class / Packing Group     | N/A                              |
| TDG / DOT / IMDG / IATA   | Not regulated                    |
| Marine Pollutant          | No                               |

### Environmental / Disposal

Avoid release to the environment. Dispose of contents/container according to local/regional regulations.

### Storage & Shelf Life

Store tightly closed, away from oxidizers. Protect from freezing/heat.

### Packaging & Item Numbers

| Size   | Item No. / SKU | Case Pack |
|--------|----------------|-----------|
| 500 mL | DLUS500        | 6         |
| 4 L    | DLUS4LT        | 4         |
